Office of Security file on Alvarado  
polygraph report

10 Dec 63      IRD # 66032

To: Director of Security  
From: Interrogation Research Division  
Subject: Gilberto Alvarado Ogarte

Background Information

SAU is 23 year old single Nic. male  
national, Born in Nicaragua.  
Technical interrogation on 5 and 6 Dec  
63 at covert location in Mx Cy.  
Interrogation was done in Spanish  
w/ local FBI chief assisting as  
interpreter.

On 25 Nov, SAU telephoned the ODACID  
Mx Cy offering info on LHO. He was  
interviewed by ODACID reps & SAU  
said that on 18 Sept 63, in the  
Cuban Consulate in Mx Cy, he saw LHO.  
LHO was speaking to 2 other Cuban  
males when SAU heard him mention  
killing someone. SAU said he saw LHO  
receive money which he heard to be \$6500.

SAU, when turned over to interrogator  
by Mx authorities, recanted his authority,  
late, recanted in his confession of fabrica-  
tion when talked for a few moments  
to a Nic. Security Service official.

**SECRET**

Purpose of the Test

Purpose of polygraph was to determine whether or not GAO was fabricating his story vis a vis LHO at Cuban Consulate on 18 Sept 63 etc.

Results

"Based upon the results of the Technical Interrogation, it is the opinion of the Examiner that the Subject was not truthful in relating the incident of the 18th of Sept

Details

at 5 Dec meeting GAO complained of poor treatment by Mex authorities. Said he was "treated like a dog" and he looked the part.

GAO said he was displeased w/ OPACID authorities stating they didn't have confidence in him when he was only trying to help. His reward for help was jail. "He stated that he wanted to protest his unjust treatment and the fact that he was given money since he does not believe in negotiating over death. He feels OPACID was resp for his arrest by Mexican judicial Police.

5 Dec interrogation consisted mainly of obtaining background info on GAO & attempting to build his morale. The meeting ended w/ assurances

of SAU's cooperation in that he would make me final statement.

6 Dec interrogation - SAU appeared much better spent. SAU, when polygraph test brought up same he would object + was surprised that we didn't do so when he first approved ODA CID.

SAU related essentially same details agains regarding 18 Sept incident at Cuban Consulate.

Interrogation was then directed toward establishing correctness of the 18 Sept date. Questioning revealed date was possibly a Tuesday or Wednesday. SAU recounted a 10 Sept <sup>(Tuesday)</sup> visit to Cuban consulate + said the LHO incident was exactly a week later. Therefore, SAU believed it must have been a Tuesday, 17 Sept + not 18 Sept (Wednesday).

SAU said made first attempt to provide ODA CID w/ info on LHO incident was 2 days after it occurred. Prob'ly a Thursday. Next attempt made the following day. Both efforts were in vain.

Subject said after JFK assassination, from seeing LHO picture he became convinced that LHO was same person he saw in Cuban Consulate. SECRET.

SAU's reasoning for conviction of 200 pages

- a) He is anti-Communist
- b) His passions were not aroused when Kres was assassinated
- c) When he first saw photo in newspaper he was quite sure
- d) Over longer period of time, he became impressed by the resemblance
- e) When he convinced himself that this was the same person

After technical testing and further interrogation, SAU finally admitted that he could have made an "honest mistake". This Examination told SAU that the test results indicated that he was lying and that the "apparatus was calling SAU a liar Subject" - reply to this was that he had respect for the apparatus and of what was what it said then that must be so.

SAU's motivation in relating the story to ODACID was not determined. The Examiner ruled out possible motivations of money + publicity. SAU answered in affirmative when asked about future chance to work for ODACID. Possible fact of SAU's act as a provocation was not ascertained but not pursued because of possible political ramifications that it could have if + when SAU reports details

2. The agreement between the Attorney General and the Director of Central Intelligence requires that aliens who are paroled under such agreement generally remain temporarily for one year. Therefore the Immigration and Naturalization Service has ~~inquired~~ inquired of the Office what disposition the Agency intends to make of subject's case.

3. Because subject was a member of theDireccion General de Inteligencia (DGI) of the present Cuban Government he was inadmissible to the United States under normal immigration law, and has also been denied normal refugee status by I + NS. Therefore, if he is to remain in the U.S., it appears necessary for your Division to institute necessary procedures to regularize subject's status under Section 7 of the CIA Act of 1949, as amended.
